

PRESS RELEASE

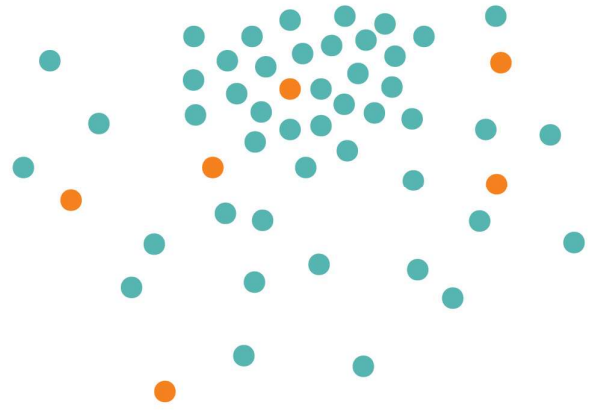

Acclime establishes a strong foothold in Thailand with the acquisition and integration of Interactive Associates

17 September 2019, Thailand – Acclime, the premier corporate services provider in Asia, announces Interactive Associates has now become part of Acclime, following its acquisition in May 2019.

With a team of 60 experienced professionals, Interactive Associates is a leading corporate services firm in Thailand. Interactive Associates specialises in providing market entry advice for foreign companies entering the Thai market, while offering a full suite of ongoing support services for SMEs and corporate clients including HR, payroll, accounting, company secretarial, tax and compliance services.

With the integration, client services will continue to be provided by the existing teams without interruption. Under the Acclime network, clients can benefit and enjoy a wider array of professional services, and they can also gain access to regional experts to help them navigate other complex emerging Asian markets.

Joshua Konechny, founder of Interactive Associates, taking up the role as the country Managing Director of Acclime said, "This rebrand represents a new chapter for all of us, where we continue to develop and grow, with the support of a wider network in Acclime. We are now able to extend our reach beyond Thailand into other Asian markets, allowing our clients to benefit from experienced on-the-ground support."

"Thailand is the second largest economy in Southeast Asia and having a strong presence in the country is critical. We are delighted to welcome Interactive Associates to join the Acclime family, " Martin Crawford, co-founder and CEO of Acclime said. "Due to the Sino-US trade war, recently the Thai government has announced plans to introduce incentives to attract foreign companies to move their factories from China. Acclime is now be well-positioned to take advantage and help those firms enter the market. "

Acclime is rapidly expanding its presence as the premier Asia-focused corporate services provider. The company's vision is to reinvent the corporate services sector with innovative solutions that are seamlessly delivered to the highest global standards.
